Here's what has happened in the last month and what's to come!

Welcome to the 5th edition of The DoubleTree by Hilton Swindon 2026 Newsletter! We're thrilled to bring you the latest exclusive offers, upcoming events, and a special spotlight on the incredible local charities making a real difference in Swindon and beyond. Get ready to be inspired by the amazing work they're doing to support our community. Stay tuned for all the exciting updates you won't want to miss this!

This month, we hosted a fantastic Summer Networking event and were delighted to fire up the grill for our first BBQ of the year. But we haven't stopped there!

From summer BBQs to festive celebrations, our team have been busy out and about and on the phones connecting with Swindon residents and businesses to launch our Christmas 2026 brochure. With fantastic early-booker promotions and organiser thank-you packages now available, it's never too early to start planning those all-important end-of-year celebrations.

And for those already feeling the festive spirit, we're thrilled to announce the launch of our Christmas Cocktails & Canapés Event an afternoon of festive menu sampling, seasonal drinks, games, and entertainment.

Join us on 10th July, 12:00–2:00pm, as we welcome Swindon residents to get a first taste of Christmas 2026. To attend, simply book your ticket through our Eventbrite page. Christmas shirts and festive accessories are highly encouraged... and spoiler alert: Santa will be making a special appearance too!

We then continue the month happy as ever to be the #1 hotel on TripAdvisor and see an increase on reviews through Booking.com with the rating continuing to climb! Your wonderful feedback means the world to us, and we truly appreciate your ongoing support. Thank you for making it all possible!

"Family stay. We had a wonderful family stay at DoubleTree by Hilton Swindon. From the moment we arrived, the staff made us feel very welcome. A special thank you to Calvin and Mike for their friendly and helpful service throughout our stay — they really made a difference and were fantastic with our family.
 The room was clean, comfortable, and well maintained, which made it easy for us to relax after a long day. The hotel had a warm atmosphere, and everything was well organised. Overall, it was a very pleasant experience, and we would happily stay here again and recommend it to other families visiting Swindon"
